

# DARTFORD BOROUGH COUNCIL

# HELP US MAKE A RUBBISH DECISION

We recycle  
more now so our  
regular bin is only  
half-full at the  
end of the week.

Enough already!  
We don't want any  
more bins outside  
the house.

I like  
Dartford's bin  
service. I don't  
want food and  
rotting waste  
hanging  
around.

We're already thinking  
about Dartford's 2019 waste  
and recycling contract.

We're open to your views.

What we do, depends on you.
